AIG UNITED GUARANTY MAKES STRATEGIC INVESTMENT IN PRIVATE EDUCATION LOAN FACILITATOR

Winston-Salem, NC-Based Campus Partners Provides Services to Lenders of Student Loans

GREENSBORO, NC— AIG United Guaranty,¹ whose affiliate companies provide mortgage guaranty insurance, private education loan default insurance, and other financial services to the mortgage industry, has made a strategic investment in Campus Partners, which is headquartered in Winston-Salem, NC. Campus Partners provides a range of outsource services including underwriting, loan disbursement, call center functions, and loan servicing to banks and other lenders who provide education loans to consumers.

“As an insurer of private education loans, this investment is a natural fit for our company,” said Alan Atkins, president and group executive of AIG United Guaranty’s Domestic Consumer Group. “Campus Partners will provide flexible alternatives to the services currently available in the marketplace.”

Campus Partners does not compete with banks or education lenders, but rather provides services that support education lending programs.
